PROFESH, BUT MAKE IT PLUSH

If you can't stomach the idea of putting on "hard pants" just yet, try one of these trades when you head back to work.

SWAP YOUR BRALETTE FOR...

The Cozy Adjustable Bra (\$35; floatley.com).

It's incredibly supportive despite the lack of underwire.

SWAP LEGGINGS FOR...

The wrinkle-resistant Colby Joggers (\$195; mmlafleur.com). They

look like fitted capris but feel like sweats—perfect for commuting.

SWAP SNEAKERS FOR...

The slip-on Pure 2 Mules (\$120; clarksusa.com).

With lots of cushioning and supportive soles, they provide all-day comfort.

IMPERFECT PONY

After months of infrequent washing and drying, your hair has never been healthier. Good news: You don't need to return to daily shampooing. A loose, low pony looks effortlessly chic—not disheveled. Add body with R+Co Balloon Dry Volume Spray (\$32; bluemercury.com).
